Dear Mr. Bell:

This responds to your Freedom of Information Act (FOIA) request of December 14, 2018, in which you seek records related to Hunters Point Naval Shipyard (HPNS). Your request was received by this office on December 17, 2018 and assigned file number DON-NAVY-2019-002092.

Your request of December 14, 2018 is a duplicate of a request that was previously submitted on June 5, 2018 by Mr. Jeff Ruch from your organization and was responded to on August 9, 2018 (DON-NAVY-2018-008290).

To respond to your duplicative FOIA request, we have sought to determine if there are additional records that are responsive to the request that were either not located or not available at the time of the prior response to the initial request. In this case, we found that there are 11 responsive records (29 pages), all of which will be uploaded to FOIA online. These records are responsive to your request and they are released to you in their entirety.

Pursuant to procedures established by Secretary of the Navy Instruction, our search for responsive records encompassed only those records in existence as of December 14, 2018 (the date of your request.)

Fees associated with the processing of your request are waived in this instance.

Further questions regarding the action this office has taken may be directed to Scott Anderson, [scott.d.anderson@navy.mil](mailto:scott.d.anderson@navy.mil). Please refer to your FOIA case number DON-NAVY-2019-002092 whenever corresponding about this request.

Sincerely,

THOMAS L. MACCHIARELLA
